Hi Quellie,

He's got a meeting right beforehand so I'll just call you if that's ok and you can patch me in to Chris and we'll connect the two of them.

Hi Hayley,

Thank you for letting me know! 1 PM would be perfect. We would like to discuss the Midterm Review of CAFÉ standards. I will share a conference call line shortly.

Please let me know if you have any further questions, I sincerely appreciate your prompt response.

Kind regards,

Quellie

Hi Quellie,

Michelle Hale no longer works at EPA and I took her place up front in the Administrator's office. Can you clarify what upcoming EPA report you're referring to?

I let Emily know that the Administrator can speak at 1PM but if Chris needs to do it earlier, we can squeeze it in if it's just a 10 minute call or so. Let me know. I'd first like to know what report you're referencing though.

Thanks!

Hi Michelle and Hayley,

Hope this finds you well! By way of introduction, I am Chris Liddell's, Deputy Chief of Staff for Policy Coordination, assistant.

I know Emily reached out to your team last night, but I also wanted to personally reach out as we try and find a time for Chris and the Administrator to speak. This morning would be preferable, please let me know any available windows! We would like to discuss the upcoming EPA report so this is an extremely time sensitive matter.

Thank you and kind regards,
Quellie
